10 VISITBELFAST.COM
While there's plenty to keep you entertained in Belfast, it's also worth keeping in mind that the city makes a great base for exploring the rest of Northern Ireland.

Just twenty minutes from Belfast visitors can discover pristine seafronts, country parks, boutique village shopping and plenty of places to enjoy the gourmet gastro-pub or country house experience.

County Antrim’s Causeway Coastal Route runs north from Larne, and is the gateway to the Nine Glens of Antrim with Glenariff Forest Park at its heart. On the north coast you’ll find the Giant’s Causeway, the only World Heritage Site in Northern Ireland. Hire an audio tour from the state-of-the-art visitor centre, explore the interactive exhibition spaces, watch Finn McCool on the big screen and unlock the secrets of this inspirational landscape. Nearby, take a tour of the oldest licensed distillery in the world; Bushmills and challenge yourself to cross the 100 ft. high Carrick-a-Rede rope bridge. A short trip by train or bus takes you to Derry-Londonderry, where there’s plenty to see in the historical walled city, with its lively cultural scene, impressive architecture, carnivals, festivals and visitor attractions.

Shrouded in magic and majesty, the Mourne Mountains is an area of outstanding natural beauty, filled with dizzying peaks, rolling valleys, tranquil forests and golden coastline, just waiting to be discovered, enjoyed, experienced and never forgotten.

Don’t miss out on island hopping in the unspoiled Fermanagh Lakelands, or to pay a visit to a number of stunning National Trust properties including Florence Court, Castle Ward and Mount Stewart.

HomePlace
Take a trip to Bellaghy and step into Seamus Heaney HomePlace, which celebrates the life and legacy of the Nobel Prize-winning poet. Standing at the heart of the place and people which so inspired him, HomePlace includes a stunning exhibition which interprets Seamus Heaney’s work. The entire space over two floors is filled with personal stories and artefacts, dozens of family photographs, video recordings from friends, neighbours and cultural figures, and the voice of the poet himself reading his own words.
